TO WHOM IT MAY CONCERN

This is to certify that Aniket Rana is currently engaged in an internship with Capacity Web Solutions Pvt Ltd, which commenced on 15th January 2024 and is scheduled to conclude on 17th May 2024. He has been contributing to the projects titled "**TeamGPT**" and "**InstaWidget**" during his tenure with us.

He has demonstrated commendable dedication, professionalism, and a strong eagerness to acquire new skills throughout his ongoing internship. He has maintained good attendance and has shown exceptional enthusiasm in his work.

Till 26 April 2024, He has been involved in the following tasks:

- Setting up cloud database, design collection models and their API endpoints for necessary operations for MongoDB.
- Integration of Clerk auth service for the application user authentication.
- Implementation of real-time events management for various features of the application using Socket.IO.
- Integration of Stripe payment gateway for customer subscription management.
- Development of CI/CD pipeline for the InstaWidget services.

Aniket Rana's outstanding teamwork and invaluable contributions have significantly advanced the InstaWidget and TeamGPT project. We anticipate his continued excellence during the rest of his internship with Capacity Web Solutions Pvt Ltd. Best wishes for his ongoing endeavors.

Yours Sincerely,

For **CAPACITY WEB SOLUTIONS PVT. LTD.**
